

NOSTRILS AND HEAD STUFFY FROM A COLD OR CATARRH?

My Cleansing, Healing Balm Instantly Clears Nose, Head and Throat, Stops Nasty Catarrhal Discharges, Dull Headache Goes.

Try "Ely's Cream Balm." Get a small bottle, anyway just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the catarrh, cold-in-head or catarrhal sore throat will be gone. And such misery now—Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant

balm dissolves by the heat of the nostrils; penetrates and heals the inflamed swollen membranes which line the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake to-night struggling for breath, with head stuffed nostrils closed, hawking and blowing. Catarrh or cold, with its running nose, foal mucus dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

EUREKA NEWS.

EUREKA, Nov. 17.—The Rural Improvement Association met at the school house Friday afternoon. It was decided to give \$5 to enlarge our library of books and to carry lunch and join Miss Garlington Saturday and learn something about school improvement.

Mr. B. B. Breazeale, Jr., has returned to Greenville after a pleasant summer spent at home.

Miss Bertie Gentry left Saturday to

teach. Mr. and Mrs. J. A. Mahaffey and little Bobbie are the guests of R. E. Campbell.

Mrs. Laura Brock Alexander and sons of Whitmire spent last week at W. L. Andrews'.

Miss Nix of Whitmire returned home with recollections of the pleasantness of Anderson county.

Mrs. Lena Gambrell, Miss Cara Shirley and Mrs. W. L. Anderson attended the State W. M. U. at Newberry last week.

T. W. M. Society will meet with Mrs. Dewitt Masters Thursday afternoon at 3 p. m. A full membership is desired. We will have reports of State meeting.

Our day school under the skillful management of our efficient teacher, Miss Valeria Crowthers, is moving off nicely. It is a pity that all the patrons can't realize they are losing golden moments by not sending their children right at the beginning.

Mrs. John Daniels and Mrs. Von Haslen were the guests of Mrs. B. B. Breazeale.

Everybody can come to Eureka Sunday school Sunday afternoon at 3 p. m. A surprise will be in store for you.

Farmers are progressing nicely with the gathering of their crops. Many have fine fall gardens. Let's forget the price of cotton for a spell and do some of the things around our own premises we have been promising the patient wife we'd do for years. We have plenty of opportunity. To keep busy is the best antidote for hard times. Be thankful its as good as it is. Just one week till Thanksgiving day.

Nanzetta's Prescription.

MADE PRESENTMENT ON RIVER QUESTION

GRAND JURY STATES FACTS IN CASE

MATTER GOES UP

Anderson County Authorities Will Ask Federal Government to Investigate Savannah River.

People all over Anderson county have been waiting for several weeks gone by to hear the report of the special committee appointed to examine into whether or not certain interests have caused damage to the people attending to traffic across the Savannah river, by reason of having erected a dam at a distance some miles up the river and therefore interfered with passage between Anderson County, South Carolina, and certain Georgia counties. This special committee furnished a presentment to the court of general sessions yesterday and their document makes very interesting reading. The report says in part:

"We have investigated these complaints and find that they are well founded. Navigation has been seriously interfered with and we find that many citizens of Georgia and South Carolina have been interfered with and caused delay in crossing the Savannah river.

"In view of the serious nature and importance of this matter to the citizens of this State and of Georgia, as well as to the parties immediately interested in Brown's Ferry and the Portman Shoals dam and in view also of the fact that this question involves the question of power and jurisdiction, not only of this State and the State of Georgia, but also of the United States, we deemed it proper to submit the matter to the solicitor of the circuit, with the request to make an investigation and to submit to us a report and we also employed special counsel to assist in the matter.

"For the present we have decided that it will be sufficient to call the matter to the attention of the proper Federal authorities and to the attorney general of this State. We therefore recommend that your honor instruct the clerk of court to send a copy of this special presentment, together with the report and opinions attached thereto, to each of the following officers, to wit: secretary of war at Washington, each of the United States senators from South Carolina, to the member of congress from the Third congressional district, to the attorney general of the United States, to the United States attorney for the district of South Carolina, to the attorney general of South Carolina."

In the report of counsel, prepared by Kurtz P. Smith, solicitor and Ernest F. Cochran, the attorneys make the statement that in their opinion this matter can not be handled according to law by the courts of South Carolina and that it is a matter for the United States courts to decide. In conclusion the statement says:

"We suggest therefore that the matter should be brought to the attention of the proper Federal authorities and if relief is given there will be no necessity for any action by your body or in the State courts. If, however, the Federal authorities should fail to give any relief, then this grand jury might determine whether or not it would be advisable to present an indictment in the court of general sessions and test the jurisdiction of the State courts in such proceedings, or the matter might then be brought to the attention of the attorney general of South Carolina in order that the State of South Carolina might institute a suit for an injunction in the State court and the power of the State court over such navigable streams may be determined in this manner."

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diapepsin" ends all stomach distress in five minutes.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

Killed

When Mule Ran Away, Negro Boy Lost His Life at Belton Tuesday.

BELTON, Nov. 17.—George Kay, a colored boy between 15 and 17 years of age, was killed today three miles south of Belton about 1 o'clock by a mule.

The boy had been doing some hauling and had taken the mule from the wagon and was going to the house for dinner riding the mule without a saddle. In some way his foot got hung in one of the traces and the mule dashed to run. The boy was dragged by one foot. After making several circles through the field and woods the mule came running to the house, the body of the lifeless boy still fastened to the trace. Several colored people gathered around the mule and managed to catch her before the body could be unfastened from the trace that had been the means of sending this young and innocent negro boy into eternity.

On examination of the body it was found that very nearly every bone in the boy's body was broken. His head was beaten into a pulp. Every garment was torn from the boy—leaving only a leather belt and his shoes and socks.

The boy was working for George Donald on A. S. Fant's plantation.

Capt. J. B. Adger, president of the board of trade, received the following telegram from Col. Williams Banks this morning:

"Columbia, S. C., 11-16-1914.
"Capt. J. B. Adger, Belton S. C.
"Party on grain campaign will reach Belton Thursday afternoon, and can make a few short talks to your people if desired. Please take charge of matter and wire me at this office and make newspaper announcements for 3 o'clock. Thank you.

(Signed) "WILLIAM BANKS."
Captain Adger wired Col. Banks that Belton and community would be pleased to have the grain campaigners stop over in Belton and talk to our farmers. We hope that every farmer in Anderson County who can, will be in Belton Thursday and hear these men talk on this vital subject. Remember the date and make it your business to be present. Thursday, November 13, at 3 o'clock in the afternoon.

Lander girls wearing cotton dresses at their graduation seems to have been received as good news everywhere. Of course the girls of this State can do as their grandmothers did, and if necessary wear the "homespun dress."

BRILLIANT SUCCESS WAS FIRST EXHIBIT

BIG COWDS HERE FOR POULTRY SHOW

FINE CHICKENS

Prize Winners Represent Prettiest Fowls Ever Brought to Anderson for Exhibition Purposes.

By Monday afternoon it was a settled fact that the Anderson County Poultry Show would be a success but not even the men connected with the venture had hoped that the affair would score the success it did. The chicken fanciers were all pleased and the public of the county expressed wonder that Anderson county could exhibit so many fine specimens. The chickens were all pretty and the judge, Mr. Verdery of Augusta, Ga., had his hands full in making the decisions.

The show took place in the Pepper building on West Whitner street and the doors opened at 9 o'clock. By 10 o'clock the building was well filled and at that hour Prof. Frank C. Hare of the poultry department of Clemson College, delivered a short address on poultry.

The judging of the exhibits began at 11 o'clock and lasted almost all day, since the decisions in some instances were very difficult. The official award of prizes, as announced last night, is as follows:
